

## USLI Has Just Become More Competitive on Property!

USLI has just become more competitive on property! We adjusted our property pricing structure to help you write newer buildings and buildings with better protections. We automatically apply these credits every time we quote property coverage.

### NEW CREDITS:

- ▶ 10% credit for buildings 16 years or newer
- ▶ 5% credit if roof is less than five years old
- ▶ 5% credit if insured has been at their current location for five years or more
- ▶ New credits applied to buildings and business personal property that are 100% sprinklered
- ▶ Increased property capacity on most classes of business and rate reductions up to 36% on properties over \$500,000
- ▶ Increased wind coverage on non building exposures in coastal areas (TX, AL, MS, FL, GA, NC, SC, VA, MD, DE, NJ and CT)

Give us a try on those property accounts. We can be your go-to market! These changes are incorporated on all accounts quoted online!

Contact your Underwriter to hear more about these exciting changes and ways in which you can write more property and package business!
